

Objective -

Allowing Students to self-register for a course

Procedure – Allow Student Self-Registration

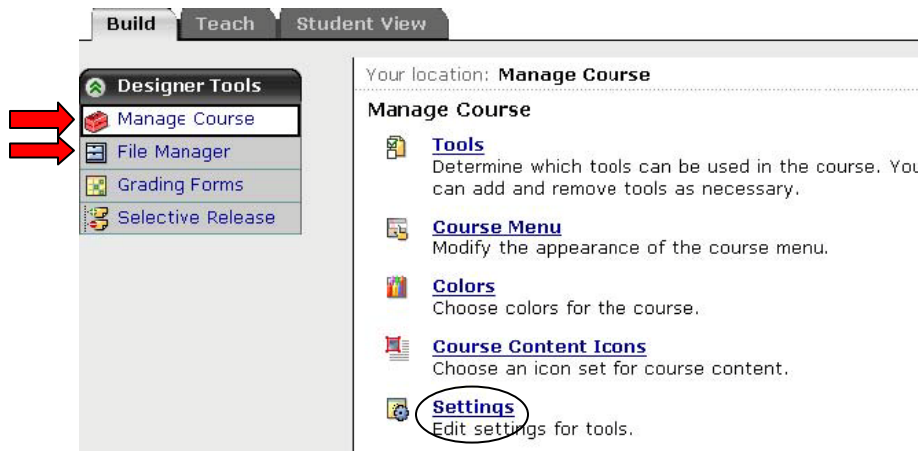

Log into WebCT

From the “**Course List**” click on the title for your section.

From the “**Build**” tab under the “**Designer tools**” menu, click on the “**Manage Course**” link

From the “**Manage Course**” Screen; select the “**Settings**” link.

From the “Settings” screen, under the “Administration” section, click on the “User Manager” link.

Set the value as “true” to allow Student Self-Registration and then click on the “Save Values” button.
