

## Can't Upload Files in Webct 6.2? What to do.

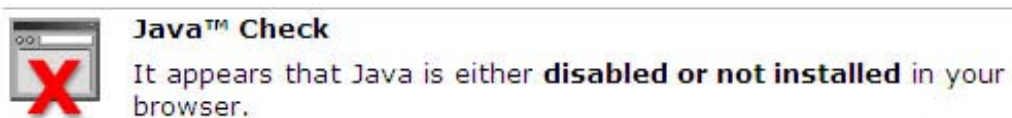

1. Go to [www.calstatela.edu](http://www.calstatela.edu)

2. Select 'Check Browser' on the upper right hand corner.

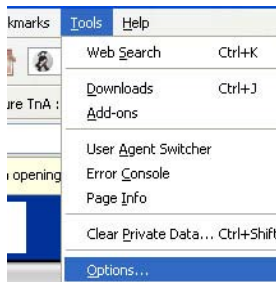

3. Scroll down and see whether there's a Java Check error.

\* If there's Java Error, close browser check and continue with step 4.

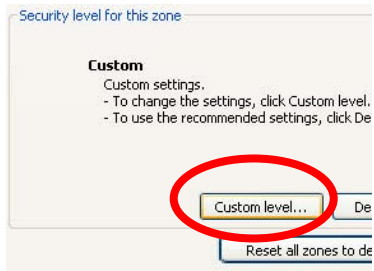

4. Click on Tools > Internet Options

5. Select the Security Tab

6. Select 'Custom level...'

7. Look for Java VM > Java Permission, select 'low safety' and click ok.

8. Java should now be enabled and you can start uploading your files.
