

PATHWAYS TO CAREERS IN PHILOSOPHY

People who have studied philosophy as undergraduates are valued in a wide variety of careers for their developed analytical skills, their clear thinking and writing, and the broad base of their background and knowledge. Philosophy majors pursue different careers some of these careers require graduate study:

- Professor
- Lawyer
- Minister
- Software Developer
- Writer
- Therapist

CSULA philosophy graduates have gone on to M.A. or PH.D. Programs in:

- Religion
- Urban Studies
- Medical School
- Interdisciplinary Degree Programs
- Philosophy
- Law School
- Psychology
- Screenwriting
- Business School

Other careers, such as elementary or high school teaching require a teaching credential.
