The introductory sequence is as follows:

Engl 101—Engl 102—Engl 200A—Engl 200B—Engl 200C—Engl 340. If scheduling prohibits following this sequence, please consult your major advisor.

After the introductory sequence, students should take courses in chronological order when possible (i.e., early British literature before later British, early U.S. literature before later U.S., etc.). We recommend that Engl 492 and Engl 494 (for the single subject credential option) be taken in the student's last year. A SAMPLE schedule is provided in the template above.
