APPLICATION FOR ADVANCEMENT TO CANDIDACY

Graduate Studies Office  
 College of Natural & Social Sciences

To be filed with the Graduate Studies Office immediately after successful completion of sixteen units of the approved degree program if the department judges the student to be qualified to complete the degree.

\_\_\_\_\_

Last Name                      First                      (Initial)                      File No.                      Department

The following changes in the program are hereby approved:

**Deletions**

| Dept. & Course No. | Course title | Units | Program Area affected | Where taken (if transfer) |
|--------------------|--------------|-------|-----------------------|---------------------------|
|                    |              |       |                       |                           |
|                    |              |       |                       |                           |
|                    |              |       |                       |                           |

**Additions**

|  |  |  |  |  |
