**ASSUMPTIONS OF THIS PLAN:**

- Students have entered CSULA with COMPLETE Lower Division GE Certification (which can occur only for California Community College transfers).
  - Students have completed an equivalent course to the UNIVERSITY requirement – ENGL 102.
- Students have completed one year of general biology required for biological sciences majors (with labs), which also fulfilled five units of MICR electives.
  - Students have transferred in a minimum of 5 units of MICR lower division elective units.
  - Students have completed one year of general chemistry (with labs), required for science majors.
- Students have completed college algebra (MATH 102) and algebra and trigonometry (MATH 103) or higher levels of math.

**ADDITIONAL NOTES:**

\*Students may take classes during the Summer Quarter to finish earlier or to take fewer units each quarter.

\*\*Students must take 2 diversity (d) courses as part of GE Upper Division Theme, if lower division courses did not meet this requirement.

<sup>+</sup>The requirement for NSS 301 has been temporarily suspended.

The University requires all students to complete 60 units of UPPER DIVISION coursework.

The University requires all students to complete 45 units of coursework in residence at CSU, Los Angeles to receive the degree (12 units must be in GE; 18 units must be in the major; 36 units must be upper division courses = 300- or 400-level).

You must complete a MINIMUM total of 186 units to receive a Bachelor of Science degree in Microbiology and ONLY 105 quarter units can be taken at a community college and applied to the 186 units.

**DO NOT TAKE GE THEME COURSES FROM YOUR MAJOR DEPARTMENT OR CROSS-LISTED COURSES TO MAJOR DEPARTMENT COURSES.**
