To ensure that you and others get a practicum site for CHDV 220 The Young Child, please read and follow the instructions very carefully before signing up for a site @ the department **IN PERSON FOR WINTER QUARTER 2010!!** In signing up for a practicum site, please keep in mind the following information:

- Students who have received a permit to register, who have to repeat the course or practicum experience, or are still on a waiting list to obtain a permit **are required** to sign up for a practicum site.
- Once you are assigned to a site, you **can not** change it. So, please give yourself some time to think through your choice.
- Please **DO NOT** call the sites directly to sign up for one or to request a change. **DO NOT** exchange your slot with any fellow student.
- All sites require valid TB and MMR tests. **Bring these records to the department in order to get your permit to register.
