Advisement

In a few days please check the HS web page to see a list of all students and the faculty members who are their advisors. If you do not find your name call the office (3.4740) and request an advisor.

Grad Checks: All students expecting to graduate (or even just "walk") in Spring, 2010 must have a grad check completed by November 12. Do not wait until the last few days to get this completed. Contact your advisor as ASAP for an appointment. If you do not have an advisor, call the office at 3.4740.
