2. Senator Roden announced his intent to raise the following question:

This is a question about a question. A number of weeks ago, I think it was about four weeks ago, I did raise a follow-up question about the classroom fiasco this quarter and asked for an update. (I was serious.) It's almost the end of the quarter, I assume you've had no response?

The Chair responded: I've heard nothing. I believe there is an Enrollment Management meeting tomorrow; I will bring the issue up there.
