ANNOUNCEMENTS

1. 1.1 The Chair's Announcements:

1.1.1 I am pleased to announce that Jennifer Faust has been re-elected by the Academic Senate to serve on the Intercollegiate Athletics Board for a four-year term ending summer 2007.

1.1.2 I am also pleased to announce that Marshall Cates has been appointed by the Executive Committee of the Statewide Senate to serve as chair of the Teacher Education and K-12 Relations Committee for 2003-2004.

1.1.3 As requested by the Senate, the Executive Committee reviewed the Academic Senate Committee and Subcommittee Reorganization document approved last week and you have received in your package as an information item the reordered list of responsibilities for the Educational Policy Committee. In addition, the Executive Committee identified three or four minor editorial changes that need to be made to the document and two items that we do not consider editorial: (1) the membership for the Academic Information Resources Subcommittee includes one member appointed by the Nominations Committee – which is consistent with membership for a standing committee, but not a subcommittee; and (2) the membership for the Student Affairs Committee includes the “Dean of Students or designee” and that position no longer exists. Today when we get to the approval of the agenda, there will be a motion to reconsider the Committee Structure document to deal with these issues.

1.2 Senator Davis announced: I would just like to thank everybody - on behalf of the Library and myself - who donated books to the “Friends of the Library” book sale. It was our biggest, most successful, book sale to date. Thank you all, whether you were a book donor or a buyer.

2. None.
