Please attach the following to complete the application:

- Transcripts of all your high school work.
- A current *curriculum vitae*/resume
- Attach additional pages, providing a response to each of the following. The Program Advisory Committee will use your responses to assess your interest in pursuing a research career, and also your ability to communicate through writing.
 - Please describe any previous experience you have in research or related areas.
 - Discuss the reasons why you wish to participate in this research training program.
 - Comment on your educational and career plans after you complete the BS Cal State LA.
 - List any academic (or other) honors you have received.
 - If there is a discrepancy between your grades in academic coursework and your potential, please explain.
- Arrange to have three letters of reference written on your behalf by science or mathematics teachers. If you have participated in laboratory research, one of the letters would likely be from your research director. The letters should be delivered to you in sealed envelopes (signed across the seal) and included with the application packet. Alternatively, if the faculty respondents prefer, they can send the letters directly to the RUSH program office.
- A duplicate of your SAT or ACT scores report form
- If you are not a US citizen, attach a NOTARIZED copy of both sides of your Alien Registration ("green") card.

Applications for positions in RUSH beginning in the Summer 2000 must be postmarked by February 15. Please be advised that no action will be taken on incomplete applications.

This application is for a RUSH Presidential Fellowship only. You must also be accepted for admission by the University. Below is the web site where you can apply to the University.
