GENERAL INFORMATION

Revised Fall 2008

The mission of the University Tutorial Center

To help CSULA students better prepare, improve their knowledge and understanding, and develop skills required for a successful college career.

The University Tutorial Center's tutors will assist you in a collaborative, interactive fashion to:

- ★ become a more confident, effective, independent learner by not doing your work for you but by enabling and encouraging you to do your own work.
- ★ develop your knowledge, understanding, and skills in a variety of courses in business, mathematics, the natural sciences, social sciences, and humanities.
 - ★ improve your time management, note-taking, and test-taking through study skills presentations and informative handouts.
 - ★

The University Tutorial Center's services are:

- ★ free to currently enrolled Cal State L. A. students with a CSULA student photo I.D. card.
- ★ for all students who want to improve or maintain their grades.
- ★ easy to use and available on a scheduled appointment or walk-in basis.
- ★ successful in developing skills and increasing knowledge and understanding of course subject matter as reported by over 98% of the students tutored; 3 out of 4 students tutored earn grades of A, B, or C.

The University Tutorial Center is:

- ★ centrally located and easily accessible on the first floor of the Palmer Wing of the John F. Kennedy Library.
- ★ staffed with friendly, helpful, and courteous student office assistants and qualified, trained, faculty-recommended peer tutors certified by the International Tutor Certification Program of the College Reading and Learning Association (CRLA).
- ★ open for tutoring from the second through the tenth week of each quarter. Call, visit, or go online for the Center's current hours of operation.
- ★ funded by the Educational Opportunity Program and the Division of Academic Affairs.
