According to the Internal Revenue Code the amount of your dinner payment that qualifies as a tax deductible donation is limited to the amount of the contribution over the value of goods and services returned you. The fair market value of the dinner is valued at \$30.00/person. Since the payment is \$30.00 and the goods are valued at \$30.00, there is no tax deductible donation portion for your dinner payment. If you wish to make a straight donation to a scholarship fund, the amount of those donations will be tax deductible.
