

## **Directions and Accommodations**

The CSU Counterparts Meeting will be held in the Golden Eagle and the University/Student Union Buildings. These two buildings are adjacent to each other, connected by a convenient pedestrian bridge. A campus map and a link to driving directions are at: [http://www.calstatela.edu/univ/ppa/campus\\_map.pdf](http://www.calstatela.edu/univ/ppa/campus_map.pdf).

A number of area hotels offer a negotiated CSULA rate (Note: you will need to request “the CSULA rate” and then show your official school ID at check-in).

Advantages to consider in selecting your hotel: Downtown L.A. is the new hip destination for dining and night life in L.A.; the Glendale Hilton is close to the famous Galleria and the new Americana at Brand, both offering a vast array of shopping options; Pasadena’s Old Town offers a vibrant night scene for dining, people-watching and (window) shopping; and LAX is convenient to the airport.
