

Summer Quarter 2010 Fees:

"The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fee for summer term, without notice, until the date when instruction for summer term has begun. All CSU listed fees should be regarded as estimates that are subject to change."
