

MATH 402A

1. **Office hours:** MW 1805-1847 (6:05pm to 6:47pm, Effective January 16, 2012. **By appointment only. Please contact me by email or immediately after the class to schedule one.**) For contact information, etc., see “General information about the classes”
2. **General course description including course prerequisites, if any.** See General Catalogue
3. **Student learning outcomes for the course.** Students should learn the material being taught.
4. **For all general education courses, the area of the general education program that the course fulfills.** See General Catalogue
5. **Topical outline of the course.**
 - **Book:** ERWIN KREYSZIG, *Advanced Engineering Mathematics*, 9th Edition, John Wiley and Sons, New York, 2006.
 - **Syllabus:** Chapters 9, 10, 13, 14, 15.1–4, 16. (See the table of contents for the book for a word description of the topics). I reserve the right to add additional material and/or omit the material suggested above at my option, and without notice.
6. **Requirements - policies and procedures (for example, attendance, assignments, readings) and basis for evaluation (written work, examinations or quizzes, term papers, portfolios, projects, laboratory or field work assignments, and other items as appropriate).** See “General information about the classes”. Also, a blue book, 8.5” × 11” will be required for every exam, including the final exam.
7. **Grading system and its relation to achievement of the requirements stated above.** See “General information about the classes”. **This course will be graded as an undergraduate course for everyone.**
8. **Date and time of final examination.** March 19, 2012, 4:30pm to 6:00pm. **The exam is 90 minutes in duration.**
9. The following ADA statement verbatim: ”Reasonable accommodation will be provided to any student who is registered with the Office of Students with Disabilities and requests needed accommodation.” It is the responsibility of the student involved to submit the required paperwork sufficiently in advance, and the responsibility of the Office of Students with Disabilities to provide the needed accommodation. I am not in a position to provide the necessary accommodation myself.
10. **An academic honesty statement that includes reference to the University policy.** See “General information about the classes”
