Bachelors of Science in Computer Information Systems

Option in Business Systems (72 Semester Units)

OPTION: Business Systems (9-21 Units)

Semester - Select 9 to 21 units (three to seven courses) of upper division courses from one functional area within the College of Business and Economics. (Other functional areas outside of the College of Business and Economics can be considered with the approval of the advisor.)		
Note: The exact number of units to be fulfilled for option courses will be determined by the number of double counted General Education courses.
