

REFUNDS OF TUITION FEES AND NON-RESIDENT TUITION

SPRING 2017

Tuition fees, business professional program fee and non-resident tuition fee refunds are processed automatically when a student follows the campus established procedures and deadline dates to drop courses/units or withdraw from the University each semester. A \$5.00 administrative processing fee will be withheld from all refunds unless withdrawal is the result of a campus regulation, class cancellation or compulsory military service. The refund policy for the California State University System is based on the California Code of Regulations, Title V, Section 41802. The procedures to drop courses/units are in the Class Schedule. The tuition fees, professional program fee and non-resident tuition fee refund deadline dates are listed below.
