Tuition and fees must be paid before registering for classes unless a student is awarded sufficient financial aid grants, loans, or scholarships; or is sponsored by a third party; or is participating in a payment plan, that will cover full tuition and fees. Incomplete or non-payment of tuition and fees by the billing deadline date may result in a hold being placed on the student's account, possible disenrollment from the current term, and forfeiture of tuition and fees already made. Students may also become ineligible to participate in a payment plan for two consecutive terms.

Students who drop after the first day of the term and up to the 60% point will be charged a prorated fee based on the date of the drop. Please refer to the Proration Schedule available in the Disbursement Office website.

Cash and check payments can be made in person at the Cashier's Office, Administration Building, Room 128. Check payments must be made payable to Cal State L.A. Please write your CIN on your check payment. Your full payment will allow you to register on the same day, if it is your scheduled appointment date on GET. Checks deposited in the Cashier's depository drop box or mailed may take three business days to process before you can register for classes.

Please note: The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory systemwide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory systemwide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 - 66028.6 of the Education Code).
