

Economics Minor

YOU'RE
CLOSER THAN
YOU THINK!

*You Only Need Two
Additional Courses*

For students in Business Administration, many required courses already overlap with the minor.

**SMALL ADD-ON,
BIG PAYOFF!**

You will be able to:

- **Understand** strategically about pricing, competition, and market conditions
- **Analyze** market trends in explaining consumer behavior and demand
- **Evaluate** how inflation, interest rates, and policy changes affect firms
- **Compare** costs and benefits for making business decisions

**MAKE YOUR DEGREE STAND OUT WITH
AN ECONOMICS MINOR!**
