Career Pathways in Early Education  
Saturday, May 18, 2002  
8:45 - 2:30  
Los Angeles Room in the Student Union

Sponsored by the Inclusive Education for Young Children (IEYC)  
Professional Development Center at CSULA.

Learn about career opportunities and training requirements in early childhood education and early childhood special education at this career development forum. Speakers will include children's center program directors, school district administrators, and community college and university professors and advisors.
