## Independent Auditor's Report

Board of Trustees  
California State University, Los Angeles Foundation  
(A California State University Auxiliary Organization)

Report on the Audit of the Financial Statements

### *Opinion*

We have audited the accompanying financial statements of California State University, Los Angeles Foundation, a California nonprofit public benefit corporation, which comprise the statements of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of California State University, Los Angeles Foundation as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of California State University, Los Angeles Foundation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about California State University, Los Angeles Foundation's ability to continue as a going concern for one year after the date that the financial statements are issued.

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of California State University, Los Angeles Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about California State University, Los Angeles Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Report on Summarized Comparative Information

We have previously audited the California State University, Los Angeles Foundation's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 23, 2021. In our opinion, the summarized comparative information presented herein as of and for the year June 30, 2021 is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 21-29 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

*Other Reporting Required by Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2022, on our consideration of California State University, Los Angeles Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering California State University, Los Angeles Foundation's internal control over financial reporting and compliance.

# California State University, Los Angeles Foundation

## Notes to Financial Statements

June 30, 2022

### Note 1 - Business activity and summary of significant accounting policies

#### **Business activity**

California State University, Los Angeles Foundation (a California State University Auxiliary Organization) (the "Foundation") is a nonprofit auxiliary corporation organized under the California Nonprofit Public Benefit Corporation Law. It was incorporated on September 9, 1985, for the primary purpose of encouraging and promoting the scientific, literary, educational, and charitable purposes of California State University, Los Angeles (the "University") by providing financial assistance through scholarships, grants, gifts, loans, and other means to the University, its support groups, students, faculty, and staff.

#### **Basis of accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

#### **Financial statement presentation**

The Foundation reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. They are described as follows:

*Net Assets Without Donor Restrictions* - Net assets for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board may designate, from net assets without donor restrictions, net assets for an operating reserve through a board-designated endowment.

*Net Assets With Donor Restrictions* - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time, purpose, or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

#### **Contributions**

Unconditional promises to give are recorded as pledges receivable when the promise is received and there is no barrier or right of return on the promise. Unconditional promises to give with payments due in future periods are reported as restricted support.

Contributions received are recorded as without donor restrictions or with donor restrictions depending on the existence or nature of any donor restrictions. Contributions for which donors have imposed restrictions, which limit the use of the donated assets, are reported as restricted support if the restrictions are not met in the same reporting period. When such donor-imposed restrictions are met in subsequent reporting periods, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions. Contributions of assets which donors have stipulated must be maintained in perpetuity, with only the income earned thereon available for current use, are classified as contributions with donor restrictions. Contributions for which donors have not stipulated restrictions, as well as contributions for which donors have stipulated restrictions that are met within the same reporting period, are reported as net assets without donor restrictions.

## California State University, Los Angeles Foundation

### Notes to Financial Statements June 30, 2022

Gifts of land, buildings, and equipment are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulation, the Foundation reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return to the donor, are not recognized until the conditions on which they depend have been substantially met. As of June 30, 2022, the Foundation did not have any conditional contributions.

#### **Cash and cash equivalents**

Cash and cash equivalents consist of cash in banks and highly liquid investments with original maturities of three months or less unless held for meeting restrictions of a capital or endowment nature. As of June 30, 2022 the Foundation holds cash restricted primarily for the use of the endowment in the amount of \$123,808.

#### **Investments**

Investments are reported at their fair values in the statement of financial position. Realized and unrealized gains and losses are included in the statement of activities as investment income (loss).

#### **Fair value measurements**

The Foundation values its financial assets and liabilities based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

- Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.
- Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

#### **Accounts receivable**

The balance of the receivables are made up of miscellaneous receivables and contributions made to the Foundation on behalf of the California State University, Los Angeles University Auxiliary Services in the amounts of \$116,950 and \$938,227, respectively, as of June 30, 2022.

## California State University, Los Angeles Foundation

### Notes to Financial Statements June 30, 2022

#### **Pledges receivable**

Pledges receivable are stated at unpaid balances, less an allowance for doubtful accounts and a discount on those pledges receivable due in greater than one year. The Foundation provides for losses on receivables using the allowance method. The allowance is based on experience and other circumstances. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Foundation's policy to charge off uncollectible receivables when management determines the receivable will not be collected. The balance of the allowance for doubtful accounts at June 30, 2022 is \$0.

#### **Capital assets**

Capital assets are recorded at cost at the date of purchase or fair value at the date of donation. Betterments and improvements that significantly enhance an asset or extend the useful life of an asset are capitalized to fixed assets while ordinary repair costs that do not significantly extend the useful life of the asset are expensed as incurred. Depreciation is calculated using the straight-line method over an asset's estimated useful life. All capital assets are fully depreciated.

#### **In-kind contributions**

The Foundation records various types of in-kind contributions. Contributions of tangible assets are recognized at fair value when received. Contributed services are recognized at fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses. For the year ended June 30, 2022, the Foundation recorded in-kind contributions of \$12,150. The Foundation had no donated services during the year.

#### **Income taxes**

The Foundation is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the Revenue Taxation Code of California. Accordingly, no provision for income taxes is included in the accompanying financial statements.

The Foundation has no unrecognized tax benefits at June 30, 2022. The Foundation's federal and state income tax returns prior to 2019 and 2018, respectively, are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

If applicable, the Foundation recognizes interest and penalties associated with tax matters as part of income tax expense and includes accrued interest and penalties with the related tax liability in the statement of financial position.

#### **Functional allocation of expenses**

The costs of providing services have been summarized on a functional basis. Accordingly, certain costs have been allocated among the program services and supporting services related to personnel time and space utilized for activities.

#### **Use of estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

# California State University, Los Angeles Foundation

## Notes to Financial Statements June 30, 2022

### Comparative totals

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with GAAP. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2021, from which the summarized information was derived.

### Recent accounting pronouncements

For the year ended June 30, 2022, the Foundation adopted ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This standard provides guidance on the presentation of contributed nonfinancial assets in the statement of activities and additional disclosure requirements for each type of contributed nonfinancial asset. The ASU provides transparency on the measurement of the contributed nonfinancial assets of the Foundation and will not change existing recognition and measurement requirements. The Foundation has implemented the provisions of ASU 2020-07 applicable to all contributed nonfinancial assets, which has been applied retrospectively to all periods presented.

### Subsequent events

The Foundation has evaluated subsequent events through September 29, 2022, which is the date the financial statements were available to be issued.

### Note 2 - Liquidity and availability

The Foundation regularly monitors liquidity required to meet its operating needs and other contractual commitments. The Foundation has various sources of liquidity at its disposal, including cash and cash equivalents, receivables and investments.

At June 30, 2022, the Foundation had the following financial assets and liquidity resources available over the next 12 months:

Cash and cash equivalents	\$	2,887,704
Short-term investments		3,014,135
Accounts receivable		1,076,050
Pledges receivable due in one year or less, net		<u>1,054,164</u>
	\$	<u>8,032,053</u>

**California State University, Los Angeles Foundation**

**Notes to Financial Statements  
June 30, 2022**

**Note 3 - Concentrations of credit risk**

Financial instruments which potentially subject the Foundation to concentrations of credit risk include cash and cash equivalents. The Foundation maintains its cash and cash equivalents and investments with high-credit quality financial institutions, which typically exceeds the federally insured limits. The Foundation has not experience any losses on such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

The Foundation's investments are subject to various risks, such as interest rate, credit and overall market volatility risks. Further, because of the significance of the investments to the Foundation's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes.

At June 30, 2022, two donors accounted for approximately 84% of the Foundation's total pledges receivable. For the year ended June 30, 2022, one donor accounted for approximately 18% of the Foundation's contributions.

**Note 4 - Investments**

At June 30, 2022, investments consist of the following:

Common stocks	\$ 28,126,681
Exchanged-traded funds	3,264,252
Corporate bonds	923,988
U.S. treasury securities	3,604,945
U.S. agency securities	872,019
Certificates of deposits	3,160,678
Mutual funds	14,486,761
Hedge funds	6,851,553
Alternative investments	<u>382,178</u>
 Total investments	 61,673,055
 Less short-term investments	 <u>3,014,135</u>
 Long-term investments	 <u><u>\$ 58,658,920</u></u>

At June 30, 2022, the Foundation has the following investments in limited partnerships that calculate net asset value ("NAV") per share:

Investment strategy	NAV	Redemption terms	Redemption restrictions	Redemption restrictions in place at year-end	Unfunded commitments
Multi-strategy	<u>\$ 7,233,731</u>	Annually	None	None	<u>\$ -</u>

**California State University, Los Angeles Foundation**

**Notes to Financial Statements  
June 30, 2022**

**Note 5 - Fair value measurements**

At June 30, 2022, financial assets that are carried at fair value are classified in the table below in one of the three categories as described in Note 1:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Investments measured at NAV</u>	<u>Total</u>
Common stocks	\$ 28,126,681	\$ -	\$ -	\$ -	\$ 28,126,681
Exchanged-traded funds	3,264,252	-	-	-	3,264,252
Corporate bonds	-	923,988	-	-	923,988
U.S. treasury securities	-	3,604,945	-	-	3,604,945
U.S. agency securities	-	872,019	-	-	872,019
Certificates of deposits	-	3,160,678	-	-	3,160,678
Mutual funds	14,486,761	-	-	-	14,486,761
Hedge funds	-	-	-	6,851,553	6,851,553
Alternative investments	-	-	-	382,178	382,178
Total	<u>\$ 45,877,694</u>	<u>\$ 8,561,630</u>	<u>\$ -</u>	<u>\$ 7,233,731</u>	<u>\$ 61,673,055</u>

Financial assets valued using Level 1 inputs are based on quoted market prices within active markets and are valued on a recurring basis. Financial assets valued using Level 2 inputs are valued based on investment yields. The fair value of alternative investments is determined using the NAV of shares held by the Foundation. In some instances, the NAV may not equal the fair value that would be calculated under fair value accounting standards. For the year ended June 30, 2022, there have been no changes in the valuation methodologies.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Foundation believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

California State University, Los Angeles Foundation

Notes to Financial Statements  
June 30, 2022

**Note 6 - Pledges receivable**

At June 30, 2022, pledges receivable consists of unconditional promises to give and have been recorded at their present values. Those receivables that are due in future periods have been discounted to their present values, using a discount rate within the range of 1.62% and 1.90%. The receivables are recorded as follows:

2023	\$	1,054,164
2024		657,209
2025		620,635
2026		615,802
2027		579,663
Thereafter		<u>2,280,992</u>
		5,808,465
Less discount for present value		<u>(391,392)</u>
Net realizable value		5,417,073
Less current portion		<u>(1,054,164)</u>
	\$	<u>4,362,909</u>

**Note 7 - Related party transactions**

The Foundation reimbursed the University \$276,051 for services performed and other expenses incurred during the year ended June 30, 2022. The reimbursed amount was comprised of \$73,960 for accounting services and \$202,091 for construction, supplies, and outside expenses incurred by the University.

University personnel performed administrative services for the Foundation, and the charges related to such services totaled \$123,190 during the year ended June 30, 2022, of which the Foundation reimbursed the University. Accounts payable between the Foundation and the University as of June 30, 2022 is \$73,569.

The University Student Union at California State University, Los Angeles ("USU") provides the staff used during the Annual Fund Drive. The Foundation reimburses these personnel costs along with an administrative fee. For the year ended June 30, 2022, the total personnel costs were \$47,032. Total administrative fees paid were \$5,892 for the year ended June 30, 2022. Accounts payable between the Foundation and USU as of June 30, 2022 is \$5,607.

Cal State L.A. University Auxiliary Services, Inc. ("UAS") assists the University in various program expenses. The Foundation reimbursed UAS \$218,439 for campus program expenses incurred during the year ended June 30, 2022. Accounts payable between the Foundation and UAS as of June 30, 2022 is \$13,784.

**Note 8 - Net assets**

**Board designated net assets without restrictions**

Board designated net assets without restrictions consist of funds that are to be used for endowment scholarships. Additionally, earnings have also been designated for scholarships. At June 30, 2022, Board designated net assets without restrictions was \$1,306,061.

California State University, Los Angeles Foundation

Notes to Financial Statements  
June 30, 2022

**Net assets with donor restrictions**

At June 30, 2022, net assets with donor restrictions consist of the following:

Time or purpose:		
Cal State LA Environment Sciences Fund, LaKretz	\$	327,143
Guglielmo Endowed Chair		1,116,063
Honors College		30,026
Luckman Fine Arts Complex		849,736
Other college grants		4,287,457
Rongxiang Xu		5,643,986
Scholarships		10,256,851
Simulation lab		950,000
Student investment fund, Marshall Geller		352,204
Tennis projects		<u>329,906</u>
		24,143,372
Perpetual:		
Endowment investments		<u>44,251,818</u>
	\$	<u><u>68,395,190</u></u>

Net assets totaling \$44,251,818 are restricted for investments in perpetuity, primarily for scholarships and program services, which represents the Foundation's endowment funds. At the request of the donor, any interest not awarded to any qualified candidates should be retained as perpetually restricted in the same year. There was no investment income to be retained as perpetually restricted for the year ended June 30, 2022.

**Net assets released from restrictions**

Net assets with donor restrictions were released from restrictions for the following purposes:

Scholarships	\$	2,683,081
Annual general fund support		<u>482,335</u>
	\$	<u><u>3,165,416</u></u>

California State University, Los Angeles Foundation

Notes to Financial Statements  
June 30, 2022

**Note 9 - Endowments**

**General board policy on administration of endowment funds**

The Board of Trustees of the Foundation has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts donated to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for spending by the Foundation in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the organization and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization

**Investment policy for endowment funds**

The Foundation has adopted investment and spending policies, approved by the Board of Trustees, for endowment assets that attempt to provide a predictable stream of funding for the scholarships supported by its endowment assets, while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity, debt securities and mutual funds, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make annual scholarship distributions of approximately 3% to 5% of the fair value of the endowment investments as of December 31, while growing the funds if possible. Investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

**California State University, Los Angeles Foundation**

**Notes to Financial Statements  
June 30, 2022**

**Spending policy for endowment funds**

The Foundation has a policy of appropriating for distribution for scholarships each year approximately 3% to 5% of its endowed investments' fair value as of December 31. In establishing this policy, the Foundation considered the long-term expected return on its investment assets, the nature and duration of the endowment fund which must be maintained in perpetuity because of donor restrictions, and the possible effects of inflation. The policy is consistent with the Foundation's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return. For the year ended June 30, 2022, appropriation of \$2,241,544 was made from the endowment fund for scholarship distributions.

The Foundation has a policy of appropriating 5% of all contributions received for the endowment fund annually to cover general operating expenses of the Foundation of which donors are notified of upon gift acceptance. The amount appropriated from the endowment for general operations as of June 30, 2022, was \$174,735, which represented 5% of endowed contributions received.

Additionally, the Foundation has a policy of appropriating up to 1.5% of its endowment fund's fair value as of June 30 of the prior year, for general operating expenses of the Foundation as established in the annual budget for the Foundation in July of the subsequent year. During the year ended June 30, 2022, a \$144,943 appropriation was made from the endowment fund for general operations expenses.

Endowment net asset composition by type of fund as of June 30, 2022 is as follows:

	Without donor restrictions	With donor restrictions		Total
		Time or purpose	Perpetual	
Donor-restricted endowment funds	\$ -	\$ 5,562,235	\$ 44,251,818	\$ 49,814,053
Board designated endowment funds	1,306,061	3,893,773	-	5,199,834
<b>Total funds</b>	<b>\$ 1,306,061</b>	<b>\$ 9,456,008</b>	<b>\$ 44,251,818</b>	<b>\$ 55,013,887</b>

Changes in endowment net assets for the year ended June 30, 2022 are as follows:

	Without donor restrictions	With donor restrictions		Total
		Time or purpose	Perpetual	
Balance, beginning	\$ 1,232,291	\$ 19,586,997	\$ 42,816,980	\$ 63,636,268
Investment income (loss), net	73,770	(7,447,908)	-	(7,374,138)
Contributions	-	-	1,548,739	1,548,739
Transfers in	188,410	-	-	188,410
Administrative fees	-	(310,269)	(113,901)	(424,170)
Appropriated for expenditure	(188,410)	(2,372,812)	-	(2,561,222)
<b>Balance, end</b>	<b>\$ 1,306,061</b>	<b>\$ 9,456,008</b>	<b>\$ 44,251,818</b>	<b>\$ 55,013,887</b>

Transfers in are comprised of prior year contributions re-designated to the endowment during the year ended June 30, 2022. As of June 30, 2022, there were no deficiencies of donor-restricted endowment funds.

**California State University, Los Angeles Foundation**

**Notes to Financial Statements  
June 30, 2022**

**Note 10 - Commitments and contingencies**

**Coronavirus**

In December 2019, a novel strain of the coronavirus ("COVID-19") was reported. On March 11, 2020, the World Health Organization declared the COVID-19 a global pandemic and recommended containment and mitigation measures worldwide. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the disruption. Therefore, the extent of the financial impact and duration cannot be reasonably estimated at this time.

Independent Auditor's Report on Internal Control over Financial Reporting and on  
Compliance and Other Matters Based on an Audit of Financial Statements  
Performed in Accordance with *Government Auditing Standards*

Board of Trustees  
California State University, Los Angeles Foundation  
(A California State University Auxiliary Organization)

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of California State University, Los Angeles Foundation (the "Foundation"), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 29, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses and significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
