

THESIS / DISSERTATION DELAYED RELEASE (EMBARGO) REQUEST

With the permission of their Committee Chair, students may elect to formally embargo their thesis/dissertation for a period of six months, one year, two years, or indefinitely. This prevents the abstract (Traditional Publishing) or full-text (Open Access) of the thesis/dissertation from being publicly available in ProQuest until after the specified timeframe. The student and the Committee Chair must sign the embargo agreement.
