Equipment Check List

Name _____ PFN _____ Course _____

Schedule # _____ Locker # _____ Lock # _____ Breakage card # _____

Equipment in the locker should be carefully compared to the equipment list. Inspect for chipped, cracked, fractured, substituted, and missing items. Indicate these in the check-in column and the BACK of the attached card. The instructor must sign both this sheet and the card before equipment can be replaced. NOTE: You will be charged for all defects not reported during check-in. Once checked into a locker, the student is responsible for checking out, even if the class is dropped early. Failure to check out will result in forfeiture of the Breakage Card.
