California State University, Los Angeles

The **SCOFFONI Lab** is looking for a motivated **Master student** to start August 2020 to work on a recently **NSF funded project** investigating C3/C4 leaf and root hydraulic responses. The MS student will be fully funded for two years. Minorities and persons with disabilities in science are particularly encouraged to apply.

If you are interested in pursuing a career in plant biology and would like to gain more experience in the field of plant physiology, think of joining us @calstatela. More info on our research: www.scoffonilab.com

Applications are due March 16th, 2020. Please contact me asap if interested: cscoffo@calstatela.edu
