Subject: Proposed Policy Modification for Chapter VI of the Faculty Handbook
FPC 18-2.5: Guidelines for the Administration of the Distinguished Visiting Professors Program

Faculty Policy Committee originally recommended deletion for FPC 18-2.5: Guidelines for the Administration of the Distinguished Visiting Professors Program at its meeting on March 19, 2018 because it is not a program currently being used at Cal State LA and also because it is no longer aligned with the Collective Bargaining Agreement between the CSU and CFA (CBA), which addresses visiting professor appointments in Article 12.32 as follows:

Article 12.32: Visiting Faculty appointments are full-time appointments for up to one (1) academic year. Individuals appointed into this classification shall not be eligible for a subsequent appointment in this classification for the duration of this Agreement. Pursuant to 12.1, faculty shall be involved in the recruitment and hiring process. The hiring of Visiting Faculty shall not result in the displacement or time base reduction of an incumbent Temporary Faculty Unit Employee as reflected in the order of work in provision 12.29. Effective with Academic Year 2006-2007, the number of employees in the Visiting Faculty classification code shall not exceed one hundred twenty-five (125) full time equivalent faculty (FTEF) systemwide. The use of the Visiting Faculty class code shall expire at the end this Agreement, which includes any extensions agreed to by the parties, and shall be subject to re-negotiation during negotiations for a successor agreement.

On September 25, 2019 the Academic Senate returned FPC 18-2: Guidelines for the Administration of the Distinguished Visiting Professors Program to FPC and charged the committee to deliberate on modifying the policy. FPC deliberated about FPC 18-2 at its meetings on October 26 and November 5, 2018. At the November 5 meeting FPC voted to approve policy modification FPC 18-2.5: Guidelines for the Administration of the Distinguished Visiting Professors Program (retitled to Visiting Faculty Appointments).
The following points summarize the changes to FPC 18-2.5: Guidelines for the Administration of the Distinguished Visiting Professors Program (retitled to Visiting Faculty Appointments).

Lines 5-8: This language is aligned with article 12.32 of the Collective Bargaining Agreement.

Lines 8-19: This language is recommended for deletion because it is not aligned with the CBA; there is no campus allotment for visiting professors, but rather departments/divisions/schools or programs. This language is therefore revised and addressed for lines 27-37.

Lines 20-23: This language is recommended for deletion because visiting faculty are not appointed to positions at Cal State LA and also to acknowledge that there may be visiting faculty who do not hold the rank of professor but who are experts in their field.

Lines 23-26: This allows for titles such as distinguished visiting professor or visiting associate professor, etc., and also acknowledges that visiting faculty do not hold rank at Cal State LA.

Lines 27-30: This language is aligned with article 12.32, which states that faculty shall be involved in the recruitment and hiring process.

Lines 30-32: This language revises and replaces language from lines 17-18.

Lines 32-37: This language is aligned with article 12.32 of the CBA.

Lines 38-34: This language is recommended for deletion because visiting faculty workload falls under the purview of the college dean. The language is replaced with lines 45-47.

Lines 43-45: This language is aligned with article 12.1 of the CBA, which states: “After considering the recommendations, if any, of the department or equivalent unit and the appropriate administrator, appointments of employees shall be made by the President.”

Lines 45-47: This language allows for flexibility in visiting faculty appointments and is aligned with other workload assignments.

Lines 48-55: This language is aligned with article 12.32 of the CBA.

Lines 56-58: This language is recommended for deletion because it contradicts lines 45-47 and also because visiting faculty are department/division/school or program appointments.

THE HIRING OF VISITING FACULTY SHALL NOT RESULT IN THE DISPLACEMENT OR TIME BASE REDUCTION OF AN INCUMBENT TEMPORARY FACULTY UNIT EMPLOYEE AS REFLECTED IN THE ORDER OF WORK IN PROVISION 12.29 OF THE UNIT 3 COLLECTIVE BARGAINING AGREEMENT BETWEEN THE CALIFORNIA FACULTY ASSOCIATION AND THE CALIFORNIA STATE UNIVERSITY.

Each Distinguished Visiting Professor will be required to carry a minimal course (approximately 4-unit) load, plus a limited amount of supervised study with superior students selected by the department/division/school; be encouraged to participate in Honors programs and to offer seminars or pro-seminars of interdisciplinary interest; and be asked to file a written report of experiences and recommendations to the campus.
