SUBJECT: Recommended modification to Chapter II “Governance of the University” regarding the Student Grievance Committee

The charge and membership of the Student Grievance Committee are currently described in Appendix H “Student Grievance Procedures”. The Student Policy Committee is recommending that the charge and membership of the Student Grievance Committee be clarified and updated, and follow the consistent format of all the other University committee descriptions in Chapter II “Governance of the University”.

As such, SPC would like to recommend the following modifications:

Lines 2-27: Delete language from Student Grievance Procedure in Appendix H.
Lines 29-69: Replaces deleted language of the existing Student Grievance Procedures in Appendix H and insert the language in Chapter II of the Faculty Handbook under “Student Grievance Committee.”

Membership has been expanded and updated to better reflect currently existing positions at Cal State LA, and terms of all committee members are specified. Further clarified the duties of committee members: The position of Assistant Dean of Students: Wellness and Engagement did not previously exist. The scope of the Assistant Dean’s roles include overseeing the student grievance cases. An MPP representative from Human Resources is needed to provide HR context and direction for personnel matters that may arise in the course of committee hearings and deliberations. Three administrators were also added to provide balance and checks through this broadened representation.

Full-time status of staff has been added as a criteria for appointment on the grievance committee. In order to make the best informed judgment regarding student grievance cases, each member should be well engaged with the campus community, and we believe having full-time status ensures such engagement and understanding of the university principles, culture, and practice.

Lines 71-74: The functions and membership of the committee would now appear in Chapter II rather than in Appendix H. Rather it is the procedures of filing and processing the student grievance that would be detailed in Appendix H.
