Online Registration Instructions via Golden Eagle Territory (GET) at https://get.calstatela.edu

Step 1
View the online University Catalog (http://ecatalog.calstatela.edu) and Schedule of Classes (www.calstatela.edu/classschedule/fall15.html).

Step 2
Visit your academic major/program department for advisement, and use the Cal State L.A. University catalog, the Schedule of Classes, and the Schedule Planner tool on GET to develop a tentative class schedule.

Undergraduates: Transfer credit may take up to the end of your first term to reflect in GET. If you plan to take a class that requires a prerequisite that you completed at another institution, please contact the respective academic department before your enrollment date, and arrange to show proof that you completed the prerequisite course. If eligible, you will receive a permit to enroll in the class. For a list of academic departments, visit www.calstatela.edu/univ/directry/colleges.php. All phone numbers begin with the prefix (323) 34— and followed by the 5-digit extension #-#### (i.e., if the extension is 3-7438, the phone number is (323) 343-7438.)

Step 3
Pay your tuition and student fees at least three business days before you register through GET. Online payments may be made only via CashNET (https://commerce.cashnet.com/csulapay), and a nominal fee will apply. You may also submit your check/money order payment by U.S. mail, or in the Cashier’s Office drop box, Administration 128. Cash payments must be made in person, directly to the Cashier’s Office. For tuition and student fee information, please visit www.calstatela.edu/sfinserv/fall-2015.

Step 4
Log-in to your GET (https://get.calstatela.edu) Student Center portal to view your enrollment appointment, to do list, and holds. To log-in, you will need your Campus Identification Number (CIN) and Personal Identification Number (PIN). For more information, visit https://get.calstatela.edu/GETHelp.htm. (NOTE: GET can only be accessed using an English language based web browser.)

It is your responsibility to regularly check your GET Student Center, and complete items as requested. You may register for classes beginning on the enrollment appointment date/time indicated. All active registration/enrollment holds must be cleared prior to registering for classes.

Undergraduates: After final academic records are reviewed, the Admissions Eligibility Verification hold will be updated. If it is released and no other hold appears, it means that your admission has been finalized. If you enroll in classes prior to the release of this hold, please note that your admission may still be rescinded/cancelled if it is determined that you do not meet admission requirements.

Step 5
HEALTH CLEARANCE: New students are required to provide the Student Health Center with proof of immunity to Measles/Rubella and Hepatitis B, and freedom from tuberculosis. For instructions, please refer to www.calstatela.edu/classschedule/pdf/fall_book/NewStudentImmunizationReqFall2015.pdf. Students will not be able to register for a second term until these requirements are completed.
