Charge of the Work Group

- Assess Cal State LA’s current work environment to support the professional and personal responsibilities of our employees.
- Conduct a review and inventory of current programs and identify gaps.
- Make recommendations regarding the continuation, modification, and addition of activities, technology, policies, and programs to enhance the work culture of the University while working within limited resources.
- Review current efforts and poll University constituents about issues they care about.
What we have done:

- **Inventory of what we do well**
  - Students
  - Faculty
  - Staff

- **Where we can improve**
  - In relation to what we do well
  - Inventory of things to work on
Next Steps

- Create Website
- Create Communications Plan
- Evaluate Campus Climate
- Identify Focus Groups
Questions
