MASTER OF ARTS DEGREE IN SPECIAL EDUCATION
OPTION IN PHYSICAL AND HEALTH IMPAIRMENTS

EFFECTIVE FALL 2016 SEMESTER

The Master of Arts degree in Special Education provides administrators, teachers, and therapists with advanced preparation for work with exceptional learners. MA candidates must incorporate the credential requirements in their area of specialization as a part of their program. (This requirement may be waived for personnel in related fields, such as nurses, occupational or physical therapists, or speech language pathologists.) The MA programs include a choice among a variety of options.

Candidates are encouraged to apply for the MA program during the second or third semester of the credential program, as only 13 pre-approved units may be applied towards the MA degree.
