CSULA is now CTC approved to offer the Other Health Impairments Added Authorization. The Education Specialist Added Authorization in Other Health Impairments authorizes the holder to conduct assessments, provide instruction, and provide related instructional services to individuals with a primary disability of other health impairments, across the continuum of program options available, based on the age parameters stipulated in the Education Specialist Instruction Credential held by the candidate.

**Qualifications**

A valid Level I, Level II, or Preliminary Education Specialist Credential in one of the following areas:

- Mild/Moderate Disabilities
- Moderate/Severe Disabilities
- Early Childhood Special Education
- Visual Impairments
- Deaf & Hard of Hearing
- Learning or Severely Handicapped (Ryan Specialist Credential)

**Required Courses** (18 units)

- EDSP 460 Implications of Physical & Health Impairments (4)
- EDSP 462 Understanding Physical, Health, & Multiple Disabilities (4)
