MASTER OF ARTS DEGREE IN EDUCATION
OPTION IN EDUCATIONAL TECHNOLOGY LEADERSHIP
EFFECTIVE FALL 2016 SEMESTER

This option prepares educators to assume leadership roles in the field of educational technology. In particular, the program is designed to prepare computer-using teachers, e-learning developers and trainers, technology coordinators and specialists, and other instructional technology experts for PK-12 schools and other educational and training settings.

Note: Teachers who plan to teach in public California K-12 classrooms or work as school-level or district-level computer coordinators must obtain a California teaching credential. For some district-level technology coordinator positions, a Level 1 California Administrative Credential is required.
