Los Angeles Urban Teacher Residency is an 18 to 24 month intensive credential and master's degree program founded on principles of social justice. The Cal State University Los Angeles based program provides aspiring urban teachers with rigorous, practical coursework, and training that includes co-teaching with a mentor teacher for an entire school year in high-need schools in Los Angeles.

Two credential pathways:

1. Education Specialist Credential with STEM Specialization
2. Single-Subject Credential in Math or Science for secondary level

Program features:

- $25,000 living stipend with additional scholarship/grant opportunities
- A year-long apprenticeship co-teaching with a mentor teacher
- Core group of professors committed to the residents' success
- Highly supported cohort communities
- STEM background NOT necessary
- Complete credential requirements in 12 months, Master's requirements in 24 months

Interested individuals, who will have graduated by Spring 2018, should attend an information session at Cal State LA Career Center. Sign up for a session on GoLAUTR.com/apply/.

Certificate in Storytelling
for Teachers and Classrooms

The Certificate Program in Storytelling explores the techniques, theories, and literature associated with the ancient and modern art of storytelling.

The skills learned support language arts instruction and communications skills for teachers, librarians, and recreation leaders.

Program is open to matriculated, upper division undergraduate and postbaccalaureate students.

"This program really taught me that Storytelling is so much more than reading and telling stories. I learned about myself as a teacher, while gaining valuable visual and performing arts techniques to use in my classroom."
