Professionals In Human Resources Association at Cal State L.A.

Mission Statement:

CSULA Professionals in Human Resources Association provides a legitimate advantage to members by enhancing their professional network, knowledge, skills, abilities, and career opportunities in Human Resources and several other fields.

Short/Long term goals:

The CSULA chapter’s short-term goals are to develop relationships with small to large scale companies that our members see interest in, regards to a professional career. We will effectively use member talents in order to reach these goals. Long-term goals include offering an extensive database of organization staffing needs that will be accessible to all members, organizing monthly networking events where many HR professionals will be present and being recognized as a legitimate student union. We are building a platform that will allow members to grow within the chapter, as they would in professional organization. Members are encouraged to bring ideas to the table, and lead them into production with the support of management.

Benefits:

• Increase professional network with students & professionals.

• Access to a database of private and public sector Company staffing needs.

• Professional development and insight on KSA in various career paths.

• Ability to engage and bring guest speakers that are of interest to you.

• Ability to lead projects and be a part of a start-up union.

• Ability to engage in resume building extra curricular activities.

• Ability to take your ideas and implement them with PIHRA support.
