* The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after initial fee payments are made, to increase or modify any listed fee, without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as estimates that are subject to change upon approval by The Board of Trustees.
Refund Policy for Open University Registration

Fall 2015
Students enrolled in courses and programs offered through the College of Professional and Global Education (PaGE), including Open University, are entitled to a refund when they follow the established campus procedures to drop classes or withdraw from a program. PaGE’s policies and procedures for refunds are described below.

PaGE Refund Policy
Students must officially drop a course to receive a pro-rata refund of registration fees based on University guidelines. The pro-rata refund is based on the date on which the Drop Request Form and Request for Refund Form is received in the College. Last day of submission for a drop and refund is Nov. 10, 2015.

Students who withdraw after Nov. 10, 2015, will not be eligible to receive a refund of registration fees and will be responsible for 100% of fees for the term.

A $10.00 administrative fee will be withheld from all refunds unless withdrawal is the result of a campus regulation, compulsory military service, disability, death of the student or class cancellation by PaGE.

Refund checks will be mailed to the address noted on the Course/Program Withdrawal and Request for Refund Form. Refund checks are mailed approximately four to six weeks after the request is received by the College of Professional and Global Education.

To recap for the Fall 2015 term:

- **Sept. 24 - Oct. 16, 2015**: Add Period. Instructor’s signature and department stamp are required.
- **Sept. 24 - Nov. 10, 2015**: Drop Period. Students who drop a class or withdraw from a program to reduce their “unit load” are eligible to receive a prorated refund.
- **Nov. 10, 2015**: Last day for submitting form to receive a prorated refund.

Eligibility Requirements for Open University
Enrollment is on a space available basis with the consent of the instructor and academic department. Up to 36 quarter units of credit earned through Open University may be applied to a bachelor’s degree and up to 13 units of departmental pre-approved upper division units may apply toward a master’s degree program at Cal State L.A. Registration via Open University Enrollment does not constitute admission to Cal State L.A. as a matriculated (regular) student.

- Credit card payments declined by National Data, dishonored checks and/or registration forms received after the above date will be returned as invalid (including those returned for insufficient information and incorrect fees). Method of repayment must be in cash. Repayments and pre-approved late payments will be charged an additional $25.00 late fee. A “Stop Payment” on a check does not constitute an official withdrawal nor does it relieve the student’s financial obligation for the course, taken or not.

- Registration through the Open University program is not considered complete until all payments have cleared the bank. NSF check and credit card payments that are not resolved upon notification will subject students to financial holds preventing release of grades or University records. PaGE is not responsible for registration forms not received by the appropriate deadline.

- It is the responsibility of each student to comply with the policies and procedures of PaGE and those of Cal State L.A. Failure to follow policies and procedures will result in loss of fees and credit.

All class prerequisites must be met unless they have been waived by the respective academic department. You may be asked by the department to show proof of any prerequisite. Be prepared to provide an unofficial transcript.

Students may not use Open University to enroll in supervision courses (SUP), such as, but not limited to, directed study, research, field work cooperative education, thesis, the comprehensive exam or courses with the suffix R without special permission. Consult with PaGE for details.

All Open University enrollment students must comply with University and department policies and regulations regarding withdrawal/drop procedures, grading, and student conduct, except as noted elsewhere on this form. The maximum number of units allowed per student is 18 per quarter.

Disqualified students may not enroll through PaGE until one full quarter elapses since disqualification.

In compliance with the Americans with Disabilities Act (ADA), the University provides reasonable accommodation to facilitate the participation of covered individuals with disabilities.

**NOTE:** Matriculated Cal State L.A. students may not enroll through Open University.
