Introduction

The purpose of this manual is to afford an overview of the Vendors/Contractors Insurance Program for January 1, 2012 to January 1, 2013.

This Vendors/Contractors Program was developed to meet the needs of the Public Entity Sector in assuring that there is insurance coverage in place for those situations when the Public Entity enters into a contract with a Contractor or Vendor. Coverage is provided for General Liability only. By offering this coverage, the Public Entities will have the advantage of being able to contract with qualified bidders. Previously, these Contractors could not participate as they often could not meet the Entity’s minimum insurance requirements.

Should you have any questions or require assistance, please contact the Vendor/Contractor Program Account Representative at Alliant Insurance Services or via email at vcprogram@alliantinsurance.com.

GENERAL LIABILITY SUBMISSIONS WILL TYPICALLY REQUIRE TWO BUSINESS DAYS FOR A QUOTATION

HOW TO OBTAIN A NEW QUOTE FOR A SPECIFIC VENDOR/CONTRACTOR:

1. Complete a current Quote/Bind Application (Use of an expired application could result in another application being required and could slow down the binding process)

2. Obtain a current copy of the contract, including the scope of work from the Vendor /Contractor. Coverage is contract specific. This means that the coverage is valid only for the contract period up to one year. If the contract extends beyond one year additional coverage will need to be purchased. See Renewal section for additional details.
   - Purchase Orders are acceptable as long as they provide a detailed scope of work

3. Classify the contract in accordance with the Schedule of Hazard Classes.

4. Calculate the premium, based on the contract value, using the rate schedule. Please be sure to add taxes, fees and certificate fee and use the most current Quote/Bind Application. This application will show the current fees and any updated Program information

5. Fax the “Request to Bind / Quote Coverage” to the Account Representative at Alliant Insurance Services at 619-699-0902 or 619/699-0907 or email to vcprogram@alliantinsurance.com

6. Alliant Insurance Services, Inc. will confirm premium and eligibility. The application will be forwarded to the underwriter for approval, and if accepted, a certificate of insurance will be issued. Professional liability may be required depending on scope of services. Please be sure when you request binding coverage as flat cancellations are not allowed

7. Public Entity collects premium from the Vendor / Contractor unless payment is by credit card

8. Public Entity remits premium payment to Alliant Insurance Services no later than twenty (20) days following the date of the invoice. Please remit payment to:

   Alliant Insurance Services, Inc
   Driver Specialty Group
   PO Box 6450
   Newport Beach, CA  92658-6450

9. Certificate of Insurance is issued by the insurance company and mailed to the Public Entity and Vendor / Contractor upon receipt of the payment. Please note that that the use of the credit card payment function will speed up the certificate delivery process.

Note: Coverage is effective at the time of binding, per the Public Entity’s request. The Certificate of Insurance will not be released until payment is received by Alliant Insurance Services.
GENERAL LIABILITY SUBMISSIONS WILL TYPICALLY REQUIRE TWO BUSINESS DAYS FOR A QUOTATION

HOW TO OBTAIN A RENEWAL QUOTE FOR A SPECIFIC VENDOR/CONTRACTOR:

1. Complete a current Quote/Bind Application (Use of an expired application could result in another application being required and could slow down the binding process)
   - You may be solicited by Alliant up to 90 days prior to contract expiration for possible renewal
   - Please be encouraged to contact Alliant directly when the contract has been renewed or extended
   - If there is an extended lapse in time between the completion of the prior work and the start of the new work, even if it is the same scope of services, a new contract may be required

2. Obtain a copy of the renewal contract, including scope of work from the Vendor / Contractor.

3. If the contract is extended, an amendment to the original contract is required. The contract and/or amendment must show the new contract period

4. If the original contract is for a period of time less than one year and the extension extends the contract beyond one year, the coverage can only be written on an annual term. The premium will be recalculated based on the new contract amount. Another policy will be written for the contract period beyond the one year and the correct premium will apply.
   - Please note that if the contract value falls under the minimum premium then the original minimum premium paid will apply
