Enter a Service Request

Use the drop down to select your building, then click the button.

The required fields are in red:

- Name
- Phone #
- E-mail

Area: Use the drop down to specify the location where the service is needed. If an area is not listed, include the location in the Request field.

Chargeable request: Chargeable work orders require the requester to adhere to their internal departmental protocol. By indicating 'Yes' and entering your Account #, all work will be charged accordingly, no further authorizations will be required.

- Yes - enter your financial chartfield (required):
  - Account - 660873 (for all chargebacks)
  - Fund
  - Department Id
  - Program (optional)

Refer to the next section ‘Chargeable Work’ to determine if your request is chargeable.

- No - Click on the drop down for all non-chargeable work and leave Account# blank.

Department: Specify the requester’s department

Request: Enter your request as detailed as possible. If an area is not listed, include the location in this field.

Estimate Only Checkbox - Estimates are non-chargeable and do not require the account number.

Click | Once your request has been submitted, you will see this confirmation page. Note your Request # at the top, you will be able to use this to check the status of your request.
Facilities Services

If this is an emergency, call (323) 343-3440 during normal business hours or Public Safety (after hours) at (323) 343-3700

iServiceDesk User Manual

Requesters receive an email confirming the submission of their request

Approvers receive an email for all requests submitted by their departments. When a request is chargeable, the Chargeable field = Yes and the Account # is included (see highlighted area). In addition, a link is provided to view the work request.

Chargeable Work

Work that is not routine or schedule maintenance is considered chargeable work. The following services are normally charged to the requesting unit:

- Department requests for buildings or structural alterations
- Repair/service/replacement of department equipment or property, including non-standard coverings and surfaces
- Relocation of moveable equipment
- Relocation or installation of electrical outlets, lighting, HVAC, HVAC controls, or fire suppression systems per department request
- Installation and repair of window treatments other than originally installed
- Non-routine and decorative painting and wall covering repairs
- Carpet or floor tile maintenance - other than normal schedule
- Labor and equipment for special events including custodial services
- Hanging of pictures, plaques, signs banners, etc
- Installation of shelving and cabinetry
- Assembly or dismantling of desks, partitions, etc
- Relocation of items from surplus to departments
- Window cleaning - other than routine
- Parking lot maintenance
- Repair and maintenance of all chargeable items
- Repairs necessitated by non-authorized appliances, i.e. heaters, etc.

Renovations

For renovation-type work, please contact one of our project managers first before submitting a requisition, so that we can discuss the scope of your project.

Go to:
http://www.calstatela.edu/univ/facility/iservicedesk.php
Check the Status of your Request

By clicking on the link provided in the email, you can directly go to the status page (see bottom screenshot) or you can go to the ‘Status By Request #’ section.

Click on ‘Status by Request #’

Click the button

Building: Use the drop down to select your building (this will narrow the search down)

Start Date / End Date: enter a search range

Repair Center: leave default ‘All repair centers’

Click the button

Displays all work requests within the date range along with the ‘Accept Date’ and ‘Reject Date’

Click on your Request # to view the work request

View your work request and status:

Pending - waiting approval from Facilities Services

Accepted - work request is approved and been submitted as a Work Order

Rejected - work request has been rejected

Go to: http://www.calstatela.edu/univ/facility/iservicedesk.php
