**Moving Out? Donate Food, Clothing, Bedding And Put Electronics In E-Waste Bins**
- **Donate to the Cal State LA Food Pantry**
  Instead of throwing out canned and non-perishable food, put them in the boxes in front of the Housing Office and the Phase I Community Center. Everything collected will be donated to the Cal State LA Food Pantry.
- **Donate Clothing, Bedding and Other Cloth Items**
  Help the environment by recycling your old clothes, shoes, beddings, backpacks, etc. USAgain is a textile recycling leader that can use your items regardless of their condition! Put them in the white and green USAgain bins located in Phase I, II and GEA. The bins will be available through June 3.
- **Put Electronics In E-Waste Bins**
  Please place any electronics you don’t want in the e-waste bins in Phase I and II. Help Cal State LA go green by *not putting electronics in the trash*. Please do not put any trash in the E-Waste bins. The bins will be available through June 3.

**Relocation Of Phase I Trash Bins**
We have relocated the trash bins back to the Phase I trash enclosures for move-out. If you live in Phase I, please use those trash bins.

New Housing Construction Updates
Construction for Student Housing East (SHE) is underway on the Eastside of Phase I and Lots 7 and 7a. The new buildings will incorporate traditional-style housing for first-year and sophomore students. Students are able to view updates regarding construction and noise,
photos of the construction progressions, any service interruptions that may affect the community, and information on where and how to report an issue related to the ongoing construction.

Residents who live in Phase I, Eastside and face parking lot 7A, please keep your windows, blinds and sliding doors closed to prevent dust and minimize noise from entering your apartments.

At this time, you can expect high noise levels due to jack hammering and breaking concrete. For your safety, do not move or cross any barricades.

Construction and progress updates are available on the Constructions Updates webpage.

If you have any questions, please stop by the Housing Office or call (323) 343-4800.
