  - Ed TPA information
  - Department Chair and professor contact information

- **Applied and Advanced Studies in Education, KH C2098**
  - EDFN course information and scheduling through this office
  - Department Chair and professor contact information
The Commission on Teacher Credentialing is the licensing agency who issues all education credentials and clearances in California. Once you are eligible, the Charter College will recommend you for your credential, but CTC will issue the document. Once a permit, clearance, or credential is issued, it is public information that anyone can view.

www.ctc.ca.gov.
California has a two tier credential system. The program you have been admitted to is the preliminary credential program. Once you have completed the program requirements, the preliminary credential is issued for a maximum of five years. A teacher must complete an induction program within five years of completing the preliminary credential. This process allows a teacher to earn a “clear” credential.

**Preliminary Credential**

**Professional Clear Credential**

Option 1: Complete an induction program sponsored by, or in partnership with, the employing district or county office of education.
Option 2: Complete an induction program that is offered by a college or university.
CTC requirements for the Preliminary Credential

- Complete a baccalaureate or higher degree from a regionally-accredited college or university
- Satisfy the basic skills requirement (CBEST)
- Completion of subject matter competence (CSET or waiver)
- Pass the Reading Instruction Competence Assessment (RICA) *(Multiple Subject candidates only)*
- Complete U.S. Constitution (class/exam)
- CPR
CCOE Requirements to keep in mind

- Graduate students must complete subject matter competence in order to continue to block 1 of the program (Undergrads will have to complete subject matter competence prior to student teaching).
- Credential courses expire within seven years.
- All credential courses must be completed with a grade of C or better (including Speech and Political Science).
- You must maintain an overall GPA of 3.0 in credential courses to be cleared for student teaching and be recommended for a credential.
- Students who do not earn a C or better in a credential course will need to retake the course (Keep in mind that graduate students cannot replace grades and all grades will be factored in GPA).
- Exams (CSET, RICA) expire in 10 years (CBEST does not expire).
- Complete Ed TPA requirements.
- Students who begin the program as undergrads will need to reapply to the university if they will need to complete the program as graduate students.
- Permits will be issued every semester as long as prerequisites have been met and they are issued at the department’s discretion; any modifications to your schedule will require attendance of the first meeting to have the instructor add you to the section.
Conditional vs. Formal Admission

- Everyone is admitted to the credential program on a conditional basis
- You must complete the requirements below in order to be granted "formal" admission into the CCOE
  - Subject Matter Requirement *(CSET or waiver)*
    - Undergraduates have until before student teaching to complete this requirement
  - Enroll and pass all Pre-Requisite Classes
    - EDCI 4000, EDCI 4010, EDFN 4400, EDSP 4000 (multiple subject)
    - EDCI 4000, EDSE 4301, EDFN 4400, EDSP 4000 (single subject)
  - Speech Requirement
  - Successful completion of Graduation Writing Assessment Requirements *(Only for International Students)*
Once you receive formal admission you will:

- Be eligible for more financial aid (TEACH grant, Scholarships)
- Be able to move through rest of the program without barriers
- Can apply for Internship Credential
What is the CSET?

The California Subject Examination Test consists of multiple choice and short response questions. It is designed to measure knowledge and critical thinking skills of future elementary and secondary school teachers.
• EDEL 4900 CSULA (multiple subject)
• Visit www.ctcexams.nesinc.com/prepare.asp for CTC practice test and test information
• You may purchase a CSET Preparation Guide from any bookstore to study on your own
• www.teacherstestprep.com/
• www.btpstesting.com
EDCI 4000 – Transformative Teaching in Diverse Urban Classrooms

- Requires verification of completion of 45 hours of early field experiences in a K-12 public school classroom.
- Program Plans and Oral Interviews will be completed during this course.
EdTPA is a pre-service assessment process designed by educators to answer the essential question: "Is a new teacher ready for the job?"

EdTPA includes a review of a teacher candidate's authentic teaching materials as the culmination of a teaching and learning process that documents and demonstrates each candidate's ability to effectively teach his/her subject matter to all students and is scored through Pearson.

**Two preparations courses offered through CCOE:**

- EdTPA Preparation Course *(Take semester before student teaching)*
- EdTPA Advanced Preparation Course *(Take along with student teaching)*
The semester before you plan to student teach, attend a student teaching meeting and apply through OSS.

The semester you are completing your credential requirements, apply for the credential by deadline in OSS.
Intern Eligibility Requirements:

• B.A. degree or higher
• Formal admission to CCOE credential program
• Passing CBEST
• Completed Subject Matter Verification
• U.S. Constitution
• Speech Proficiency
• Interview with and recommendation for admission by intern advisor
• Successful completion of pre-requisite coursework:
  • EDCI 4000
  • EDCI 4010 (MS) or EDSE 4301 (SS)
  • EDFN 4400
  • EDSP 4000
• Job offer from qualifying district

Are you ready to teach?
Masters Degrees
- Over 25 options in areas such as
  - Education
  - Special Education
  - TESOL
  - Educational Administration
  - Counseling...

Doctoral Degrees
- Ed.D. Educational Leadership
- Ph.D. Special Education

Added Authorizations
- Single Subject Added Authorization
- Bilingual Authorization

Certificates
- Bilingual Education
- TESOL
- ABA...

Future options to consider...
Thank you for coming, we look forward to seeing you in the Spring!
