FILMING/VIDEO APPLICATION – STUDENT

Remember to attach script or summary of scene(s) to be filmed.

To students seeking a filming location at Cal State LA:

Please complete the following and return it to the Office of Communications and Public Affairs – email to paffairsreview@calstatela.edu or deliver to Administration 819. It will take a minimum 10 business days to review the application. Include either the script segment to be filmed at Cal State LA with a clear description of scenes to be filmed, or a plot synopsis that details the scenes to be filmed on campus. The Office of Communications and Public Affairs will review the application in regards to content and image issues. If approved by Communications and Public Affairs staff, the application will be forwarded to the Facilities Use Coordinator, Mylissa Magallanes, who will then serve as the primary point of contact for further University review, approval and coordination of this project. She will follow up with the applicant for matters of space availability, liability and other potential concerns, including coordinating with the Department of Public Safety and other areas or departments. Please complete each section of the application.

Such filming must be directly related to a course project and approved by the course instructor. (Otherwise, please use the application for filming requests by off-campus entities). For more information, contact the following:
