East West Players (EWP) and Japanese American Cultural & Community Center (JACCC) are pleased to announce the Los Angeles premiere of Allegiance. Performances will take place at JACCC’s Aratani Theatre in Los Angeles from February 21–April 1, 2018.

Inspired by the true life of George Takei (“Star Trek”), the Broadway musical Allegiance tells the story of the Kimura family, whose lives are upended when they and 120,000 other Japanese Americans are forced to leave their homes following the events of Pearl Harbor. As our country struggles with the sudden shifts in immigration policies that define what it means to be American, the relevance of this story cannot be overstated.
