The Office of Semester Conversion (OSC) is dedicated to facilitating the Quarter to Semester (Q2S) conversion smoothly and effectively while providing extensive communication to engage and inform our CSULA community, prospective students, new students and various CSULA stakeholders.

What’s Happening at OSC?

Quarter-to-Semester Conversion (Q2S) updates on the current priority of curriculum conversion, including interdepartmental meetings and details will be made public for our CSULA constituents via our—

- Bi-Weekly Newsletter (every Monday)
- Frequent updates to our website: http://www.calstatela.edu/academic/aa/semester/
- Facebook, Twitter, and Instagram (coming soon)!

Points of Interests...

- Solicit wider faculty input on the yearly calendar and weekly time modules.
- Create tables that relate class size, FTEs, number of students, etc.
- Ensure that the steps necessary to process curriculum by way of SharePoint are related to the official curriculum approval process.
- Finalize chair and staff compensation for semester conversion.

Have Questions?

Check out our website at: http://www.calstatela.edu/academic/aa/semester/ for additional information...
