ANNOUNCEMENTS

1. 1.1 The Chair's Announcements:

1.1.1 Dr. Anagnoson is attending a professional meeting in Texas, so I will be chairing the meeting today.

1.1.2 President Rosser has approved the appointment of Ms. Mona Arteaga to fill the position of "alternate community member" on the Institutional Review Board – Human Subjects as required by University policy and Federal guidelines.

1.1.2 On November 13, 2002, President Rosser approved the Senate's recommendation to modify the following policies in Chapter III of the *Faculty Handbook*: the policy on Department Chairs, the policy on Department Associate Chairs, and the policy on Formation, Dissolution or Merger of Departments. The President also approved the proposed policy on The Formation of Schools. All four of the policy recommendations are approved effective fall quarter 2002 and the on-line *Faculty Handbook* has been updated to reflect the changes.

1.2 Senator Zepeda announced: It is with a heavy heart that I announce that Marilyn Friedman notified the School of Nursing that her husband, Amnon, passed away on Sunday. As you may know he had been very ill throughout this past year with a brain tumor. He died quietly in his sleep. Marilyn retired after a productive career as a faculty member on this campus and has served the students and the university and its faculty well. I know she has many friends who would want to keep her and her family in their thoughts and prayers. There will be a service tomorrow and I have the information available so you can contact me or the School of Nursing.
