Prerequisite: Instructor consent. Seminar on geographic methods and techniques. Subjects offered include geographic information systems/science (GIS), remote sensing, mathematical modeling, qualitative research methods, locational analysis, and spatial statistics. May be repeated as subject matter changes.

Limit: 15 **Abbr.:** Semnr:Methods&TechiquesInGeog **Offered:** fws

HS 438 Food-Borne Illnesses: Etiology, Prevention and Control (4) (also listed as NTRS 438)

Prerequisites: MICR 151 or 201 and 202. Food-borne diseases and their causes, control and prevention.

Limit: 25 **Abbr.:** Food-BorneIllnss:Etiology,PrvntnCntrl **Offered:** once a year

HS 441 Disease Control and Public Health in Correctional Institutional Settings (4)

Prerequisite: Upper division standing or professional experience (with instructor approval). Investigation and study of disease control in correctional institutional settings; factors of incarceration the penal system and personnel; disease control and prevention methods.

Limit: 25 **Abbr.:** DiseaseContrl&PublicHlthInCorrecInstit **Offered:** w

NTRS 325 Food Microbiology

Prerequisite: MICR 151. Microbial ecology of foods, important food-borne pathogens and principles of use of microorganisms in fermentation.

Limit: 28/14 **Abbr.:** FoodMicrobiology **Offered:** once a year

NTRS 421 Sensory Evaluation of Food Products (4)

Prerequisite: Psychology 150. The senses and their implication in sensory evaluation of food products. Techniques used to conduct sensory evaluation of food products.

Limit: 40/20 **Abbr.:** SensoryEvaluationOfFoodProducts **Offered:** once a year

NTRS 438 Food-Borne Illnesses: Etiology, Prevention and Control (4) (also listed as HS 438)

(Prerequisites: Micro 151 and 201 and 202. Food-borne diseases and their causes, control and prevention.

Limit: 25 **Abbr.:** Food-BorneIllness:Etiology,Prevntn&Cntrl **Offered:** once a year

SOC 428 Self and Identity (4)

The development and maintenance of the sense of self or identity among children and adults, particularly emphasizing how understanding theories of the self contributes to community service. Service learning required.

Limit: 40 **Abbr.:** SelfAndIdentity **Offered:** s

COURSE MODIFICATIONS**ANTH 415 Asian American Communities in Southern California (Also listed as AAAS 415)**

Change in course content, add service learning.

AAAS 415 Asian-American Communities in Southern California

Add service learning.

COMM 330 Organizational Communications

Add service learning.

CRIM 301 Written Communication in Criminal Justice

Add technologically mediated as mode of instruction.

CRIM 492 Advanced Criminal Justice Theory and Practice

Add technologically mediated as mode of instruction.

CRIM 552 Trace Evidence Analysis

Change in course title, prerequisites, catalog description and course content.

CRIM 553 Forensic Serology and DNA Analysis

Change in course title, prerequisites, catalog description and course content.

CRIM 554 Analysis of Controlled Substances

Change in course title, catalog description and course content.

CRIM 557 Forensic Pathology

Change in course title and course content.

ECON 109 Quantitative Reasoning with Statistics

Change in prerequisites.

ENGL 381 Legacy of Greek and Roman Literature

Change in catalog description and course content; may include a service learning option.

GEOG 475 Settlement

Change in prerequisites, catalog description and course content.

GEOG 510 Seminar: Physical Geography

Change in course number from 580, catalog description and course content.

GEOG 520 Seminar: Regional Geography

Change in course number from 571, course description and course content.

GEOG 540 Seminar: Human Geography

Change in course number from 575, catalog description and course content.

GEOG 595 Seminar: Geographic Thought

Change in course title, course number from 570, catalog description and course content.

HS 480 Introductory Research Analysis and Technical Writing for Health Sciences

Change in course title, course number from 311 and context.

HIST 150 Asian-American History

Change in catalog description and course content. May include service learning option.

KIN 490 Capstone Seminar in Physical Education

Change in course content; service learning required.

KIN 535 Organizational Strategies for Adapted Physical Education

Change in course title, units from 3 to 4, prerequisites, catalog description and course content.

KIN 536 Seminar: Issues in Adapted Physical Education

Change in course title, units from 3 to 4 and prerequisites.

MATH 102 College Algebra

Change in catalog description.

MATH 109 Quantitative Reasoning with Statistics

Change in grading mode.

MATH 490 Senior Seminar in Mathematics

Change in catalog description and course content.

PHIL 323 Human Diversity and Justice

Change in catalog description and course content; may include service learning option.

SPAN 205B Intermediate Written Spanish

Change in catalog description and course content; may include service learning option.

TECH 250 Impact of Technology on the Individual and Society

Change in catalog description and course content; may include service learning option.
