1.1.3 I would like to mention again, that the book selected for the 2008-2009 One Campus, One Book common reading experience for all students, faculty and staff is The Tattooed Soldier by Hector Tobar, a suspense filled novel that weaves many themes from the immigrant experience to the urban experience of Los Angeles. If you are planning to use the book in your course, the campus is offering the book at a 30% discount for students, faculty, and staff.

1.3 Senator Andre-Bechely announced: The Charter College of Education has been actively developing curriculum for the new independent Ed.D. degree in educational leadership with a PreK-12 specialization. The doctoral program is built around four program goals:

- Educational Leadership in the Service of Justice, Access and Social Change
- Leadership Grounded in Knowledge and Expertise in Teaching Learning and Organizational Change
- Critical Reflection Embedded in Leadership and Practice; and
- Leadership that Engages with the Broader Community.

With emphasis placed on leadership in practice, the program fosters expanded understanding of the many contexts in which educational leadership takes place. The program goals are woven through the three emphases that will be offered in the program:

- Educational Leadership for System and School Redesign
- Educational Leadership in Urban Teaching and Learning; and
- Educational Leadership for Students’ Special Needs and Supports.
1.4 The program proposal and curriculum will be going out for campus consultation in early December. Pending approval from the University, WASC and the Chancellor’s Office, we plan to admit our first cohort of students in fall 2009. Informational meetings for interested students will be held on Fridays at 4:00 p.m. on the following dates: December 12, 2008, January 9, 2009, and January 23, 2009.

1.5 Senator Moss announced: This Saturday there is a showing of Master’s students work in the Department of Art in the Fine Arts Gallery, first floor of the Fine Arts Building. The Opening Reception begins at 7:00 p.m. this Saturday.

1.6 Provost Cardoza announced: The WASC report has been published on the web. I encourage you to take a look at that report to learn more about Cal State L.A.’s plans for WASC reaccreditation. There is an interactive component on the website for you to provide comments and feedback. We are doing presentations in the colleges; some have already had theirs. So, please take a look at the report.

1.7 Senator Ledesma announced: Over 200 faculty, staff and students and members representing all of the labor organizations were at the Board of Trustees’ meeting this morning at the Chancellor’s Office to make clear to the CSU leadership that budget cuts have consequences. Many were in their Alliance for the CSU t-shirts and some are probably still there. Tomorrow there will be another meeting of the Board of Trustees to discuss a cap on campus enrollment for next fall. It is very important that we stand up and get involved. It affects the future not only of the faculty but of the community we serve so if we don’t stand up now I don’t know when we can. There will be another meeting of the Board of Trustees tomorrow. If you are interested in going and don’t have a ride we will arrange one for you.

That was the cool thing. Everyone was there united on behalf of the CSU.

INTENT TO RAISE QUESTIONS

2. Senator Beer announced his intent to raise the following question: I have a question for the Provost. Some of us have had the opportunity to read the details to limit the annual target. There is a statement about a campus that did not meet target, that you could be exempt from the rule. How close are we to meeting our target at this time?

Provost Cardoza responded. We are right on the money at this time. We are looking at the numbers. We will probably come in right on target. I will be attending a system-wide enrollment management meeting on December 1 with Dr. Ross.
