

SPRING 2018 CPR TRAINING SCHEDULE

The Health Promotion and Education Center (in association with CPR for Life, LLC) offers American Heart Association CPR training for currently enrolled Cal State LA students. Call or visit the Health Promotion and Education Center (HPEC), 323.343.3340, Student Health Center (SHC) room 215, for additional information.

ELIGIBILITY REQUIREMENTS

- 1) **Eligibility** is based on **current enrollment** in a **state-funded course** during the semester in which CPR training takes place.
- 2) **Matriculated students not enrolled** in state-funded courses during the semester in which CPR training takes place, but who were enrolled in state-funded courses the immediately preceding term, are eligible to complete CPR training upon payment of the applicable "not enrolled" training fee.*

PAYMENT AND REGISTRATION

Pre-payment is required to register for all HPEC CPR sessions. Early payment and registration are encouraged as space is limited and classes may be filled two or more weeks in advance.

- **Step 1:** Obtain a CPR training charge form in SHC 215.
- **Step 2:** Pay SHC cashier.
- **Step 3:** Register for desired class in SHC 215. **NOTE:** Proof of payment is required. Course registration is on a first-come, first-served basis and subject to availability. The Student Health Center is not responsible for loss of training opportunities due to delayed payment or registration.

COURSES

Heartsaver CPR AED: This course instructs rescuers on CPR and other skills for recognizing and addressing cardiac arrest in victims of all ages. It is appropriate for most individuals who have no or little medical training and who: may be first responders to an emergency situation; are required by legislation or their employer to complete CPR training (e.g., teachers); or who simply want to be prepared for emergencies. Training length is approximately 4.5 hours. All classes meet 9 a.m. – 1:30 p.m. on the scheduled date.

Training Dates	Feb. 16 (F)	Feb. 21 (W)	Mar. 13 (T)	Mar. 21 (W)	Apr. 4 (W)
----------------	-------------	-------------	-------------	-------------	------------

Basic Life Support: Also referred to as BLS, this course teaches single-rescuer and team basic life support for application in prehospital and in-facility environments (American Heart Association). Course length is approximately 5 hours. All classes meet 9 a.m. – 2 p.m. on the scheduled date. **Note:** BLS training through HPEC is **restricted** to nursing students, nurses, paramedics, EMT's; other direct patient care professionals; and those who volunteer or work in clinical settings that require BLS training.

Training Dates	Apr. 24 (T)
----------------	-------------

COURSE FEES

Enrollment Status	Heartsaver CPR AED	BLS
Currently Enrolled	\$35	\$40
Not Enrolled Current Semester (but enrolled in state supported courses immediately preceding term)	\$45 \$35 course fee + \$10	\$50 \$40 course fee + \$10

* Note: Payment of the \$82.50 SHSF for a specific term conveys eligibility for all SHC services, including CPR training, during that term. Students who are not enrolled in state-funded courses, but have paid the SHSF for the term in which CPR training takes place pay the "currently enrolled" training fee. Proof of payment of the SHSF required.

Additional training and practice/testing sites may be found through the American Heart Association at www.heart.org/HEARTORG. AHA strongly promotes knowledge & proficiency in BLS, ACLS, & PALS and has developed instructional materials for this purpose. Use of these materials in educational course does not represent course sponsorship by AHA. Any fees charged for this course, except for a portion of fees needed for AHA course materials, do not represent income to AHA.
