Eligibility Requirements for Summer Session

Enrollment is on a space available basis as determined by PaGE.

Registration via Summer Session does not constitute admission to Cal State LA as a matriculated (regular) student.

• Credit card payments declined by National Data, dishonored checks and/or registration forms received after the above date will be returned as invalid (including those returned for insufficient information and incorrect fees). Method of repayment must be in cash. Repayments and pre-approved late payments will be charged an additional $25.00 late fee. A “Stop Payment” on a check does not constitute an official withdrawal nor does it relieve the student’s financial obligation for the course, taken or not.

• Registration through Summer Session is not considered complete until all payments have cleared the bank. NSF check and credit card payments that are not resolved upon notification will subject students to financial holds preventing release of grades or University records. PaGE is not responsible for registration forms not received by the appropriate deadline.

• It is the responsibility of each student to comply with the policies and procedures of PaGE and those of Cal State LA. Failure to follow policies and procedures will result in loss of fees and credit.

• It is the student’s responsibility to meet any course pre-requisites. For pre-requisites, check with the department offering the course to determine whether Department Consent is required.

All Summer Session enrolled students must comply with University and department policies and regulations regarding withdrawal/drop procedures, grading, and student conduct, except as noted elsewhere on this form.

In compliance with the Americans with Disabilities Act (ADA), the University provides reasonable accommodation to facilitate the participation of covered individuals with disabilities.

Refund Policy for Summer Session

Students enrolled in courses and programs offered through the College of Professional and Global Education (PaGE), including Summer Session, are entitled to a refund when they follow the established campus procedures to drop classes. PaGE’s policies and procedures for refunds are found at http://www.calstatela.edu/summer/cancellations-and-refunds

Refund Request Forms, as well as Drop Request Forms, are available in the PaGE office, located in the University-Student Union, room 105. Follow usual University drop procedures by obtaining appropriate signatures for submission to Enrollment Services, Administration room 409. At that time, request a printed receipt to present to PaGE to complete the prorated refund procedure. Allow 4-6 weeks for processing. PaGE’s policies and procedures for refunds are found at http://www.calstatela.edu/summer/cancellations-and-refunds

PaGE Refund Policy

Students who withdraw after Drop Period Prorated Refund dates indicated on the first page of this form, will not be eligible to receive a refund of registration fees and will be responsible for 100% of fees for the term.

To recap for Summer Session:

Registration period begins April 3.

Students who wish to add after the term begins and pay the late registration fee, must obtain the instructor’s signature in class.

Students who drop a class to reduce their “unit load” are eligible to receive a prorated refund.

The session, in which you are enrolled, determines the last day for submitting a drop form to receive a prorated refund. To view the Summer 2017 Proration Refund Table, please visit Disbursement Office’s web page http://www.calstatela.edu/univ/sfinserv/disb.php and click on Disbursement Office.
