

Preliminary Final Exam Schedule Spring 2019

The preliminary exam schedule is for planning purposes only. Exams will be scheduled in GET following Census. Exams will be published in GET Schedule of Classes and self-service by March 19th. Students and instructors will be notified via email at that time.

Centralized exam scheduling is designed to accommodate the wide variety of class meeting patterns used while allowing for 30 minutes between exams and producing as few conflicts as possible. Efforts will be made to schedule exams to the regular class meeting room at the date and time indicated in the preliminary exam schedule. Should the room be unavailable, the exam will be scheduled to as similar a room as possible. Should the scheduled exam produce a high concentration of student conflicts, the exam will be scheduled to a date and/or time other than indicated in the preliminary exam schedule. Priority will be given exams for on-grid sections whenever possible.

To identify your preliminary exam date and time, refer to the table below that corresponds to the regular class meeting day(s) and time.

Exceptions

Exceptions to a scheduled exam date, time, or location require approval of the instructor, department or division chair, and associate dean. Exceptions for individual students require approval of the instructor and department or division chair. Instructors should contact their scheduler once obtaining the necessary approvals. The scheduler should submit a Classroom Request Form to University Scheduling for processing. Instructors are strongly encouraged to utilize standard exam times in order to maximize limited classroom space and minimum student conflicts. All exceptions are subject to room availability.

Instructors may not shorten the academic term by scheduling a final exam or its equivalent before the week scheduled for final exams. Refer to Final Examinations policy in Faculty Handbook Chapter V: Instructional Policies for additional requirements.

Exams for Hybrid Classes

Instructors of hybrid classes may choose to hold the exam online. Instructors who choose to do so should contact their scheduler. The scheduler should submit a Classroom Request Form to University Scheduling for processing.

Standard Exam Times

Standard exam times are 7:00 - 9:00 AM, 9:30 - 11:30 AM, 12:00 - 2:00 PM, 2:30 - 4:30 PM, 5:00 - 7:00 PM, and 7:30 - 9:30 PM. Standard exam times are consistent regardless of exam day.
