

Sabrina Antoine - BSBA with Option in Finance (Winter 2013), an honoree for "Scholarship & Award Recipient," currently on the CSULA Alumni Scholarship Association Committee.

Sabrina Antoine is a recent graduate of College of Business and Economics earning her degree in Business Administration with an Option in Finance. Sabrina was raised in the Caribbean country of Trinidad and Tobago and moved to the US to advance her education. During her time at CSULA she served as the president of the Financial Management Association (FMA). In 2012, she was selected for the CSULA Judicial Internship Program working within the Los Angeles Superior Court system. In Winter 2013, she was awarded the 2012/2013 Alumni Scholarship Association Achievement Award for which she is an honoree tonight. Currently, she serves on the CSULA Alumni Scholarship Association Committee and is a Fall 2014 prospective law student.

Remi De La Rocha – *BSBA with Option in Management (2001), MBA with Emphasis in Healthcare Management (2006), Director of Provider Network Management at Altamed Health Services, currently teaching MGMT 576 – Seminar: Managing Health Care Organizations.*

Remi De La Rocha is Los Angeles native and a two time graduate from the College of Business and Economics. As a CSULA undergraduate, Remi was active on campus, participating in the Hispanic Business Society, M.E.Ch.A. and ASI; graduating in 2001 with a degree in Business Administration with an Option in Management. He returned to CSULA for his graduate education and in 2006 earned an MBA with an Emphasis in Health Care Management. Remi has an extensive background in healthcare management in the Los Angeles area, working for organizations such as L.A. Care Health Plan, the nation's largest public health plan and since 2006 with AltaMed Health Services, the nation's largest private, federally qualified health center, personally helping to build their first Independent Practice Association (IPA). Now serving as Altamed's Director of Provider Network Management, he has not only built their IPA to 140+ primary care, 900 + specialist and 200+ ancillary providers, but has also been instrumental in their recent success in new services areas; Orange County, East San Gabriel Valley, Hollywood and South Los Angeles . Currently, he is teaching here at CSULA, helping to guide the next generation of health care managers.
