

## **LATIN AMERICAN STUDIES**

"Graduation Roadmaps" are suggested plans designed to inform students about the sequence of courses needed to satisfy degree requirements. Choose the "Roadmap" that best fits your situation. "Course Schedules" for the next two years are provided so that you know when the courses of your plan will next be offered. Roadmaps are not meant to cover every possibility, but are simple guides to help you along the way. Likewise, the schedules listed here are projected course offerings subject to changes in faculty availability and student demand.

Contact the Department or the NSS College Advisement Center for additional information.
